

Product Information Sheet**T848****Tryptose, Enzymatic
Hydrolysate of Protein**

Synonym: Trypticase
CAS: N/A
Formula: N/A
Molecular Wt: N/A

Properties

Form: Powder
Appearance: Beige to Tan Powder
Application: Microbiology
Solubility: Water
Typical Working
Concentration:
Storage Temp: Room Temperature
Storage Temp of
Stock Solution:
Other Notes: Plant Tissue Culture Tested
Animal Derived - BSE Free

Application Notes**References**

Revised 3/2007
